Strong players, each solving one slice

Product	What they do well	The gap
MyFitnessPal	Nutrition and calorie tracking	Mostly self-service logging
Noom	Behavior-focused programs	Narrow goal, program based
Headspace	Meditation and sleep content	One dimension, no expert layer
Fitbit	Activity tracking and insights	Hardware dependent
Flo Health	Personalized tracking, one audience	Focused on one segment
Vivora	**AI assistants + specialists + marketplace**	**One platform for the whole journey**
