Inside the MVP: four screens

IN MVP

Walking analysis

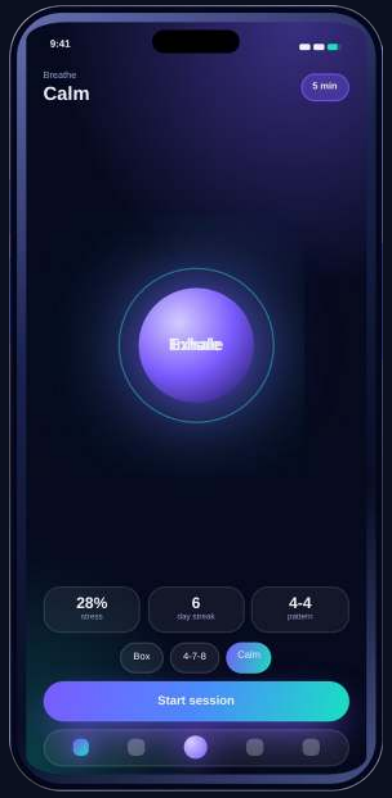

Weekly bar chart, pace curve and a goal progress bar.

IN MVP

Heart monitoring

Live waveform, pulsing heart, HRV and a zone gauge.

IN MVP

Guided breathing

A breathing orb that expands and contracts, with stress and streak.

PHASE 2

Wellness store

Product tiles picked by your assistant, plus a recommended bundle.

Simplified screens with sample data. The real product is shown live under NDA.
